Decision of the Tribunal

In this case the Valuation Officer had issued withdrawal forms to the ratepayer's agents because it was revealed that the Material Change of Circumstances which the ratepayer alleged had occurred, did so before 1st April 2017. As a corollary, the VO considered that the proposal was invalidly made.

In the absence of a withdrawal form, the attending valuation officer asked the tribunal to dismiss the appeal as invalid.

In view of the foregoing, and in the absence of any competing information the tribunal dismissed the appeal as being invalidly made.
